

# Unveiling the Glory

Lance Wallnau

[Volume 2- Session 08]

1. One of our tasks is to be relevant where we are placed.
2. To be relevant we have to have **something to offer** the world so that we can have the opportunity to take the Kingdom with us into those spheres.
3. Destiny. All of us have dreams and visions in us that have not been fulfilled.
4. Most of us don't want to go where we have to go, to get what we've already got.
5. We would rather have the dream come to us.
6. In our arena within the world, we take **what we have of the Kingdom** that God has given us to deliver, and use it to solve problems or meet needs.
7. We should do this in a way that is **totally non-religious**.
8. At the end of the day you win the game when **they are convinced you are right** and **they are wrong**, and they want to know more about what you think.
9. It is a good idea to know what the enemy's goals are so that we develop a strategy to defeat him.
10. Satan's main objective is 'to deceive the nations'.<sup>1</sup>
11. Satan does not want the nations to know that Jesus is the solution to their problems, or that the nations were designed to **reveal Jesus' glory**, or that the glory is hidden in the nations.
12. The reason Satan can deceive the nations is because **the church is more occupied with Jesus coming, than occupying until He comes**.
13. The millennial period is:
  - the binding of deception off the earth.
  - the time when evil will be limited to within mankind only. (i.e. No evil force will drive it along for 1,000 years.<sup>2</sup>)
14. **Success is not measured by success itself**.
15. **Success is not measured from taking territory**, although that is the desired outcome.
16. **True success is whether we are a credible testimony to the Gospel of the Kingdom**.
17. **Our rewards in heaven are linked to the fidelity we have toward our assignment**.
18. **How we handle our assignments on Earth influences the assignments we are given in the Millennium**.
19. Christians generally ignore eternal rewards and have a huge hang up about them.
20. God made us and as such, we have in our nature the desire for rewards.
21. **It is not capitalistic to seek eternal rewards** because we are commanded to do so by Jesus!<sup>3</sup>
22. The demonstration of the Gospel of the Kingdom: **The future rule of Christ invading time right now**.
23. It is simply not good enough just to show up – **you have to show off the Kingdom!**

1 – Revelation 20:3, 8

2 – My added comment. (LDS)

3 – Matthew 6:20; 19:21

24. What people do when that happens determines **the judgement of God on a nation** or a system.
25. This is serious stuff because once the Kingdom has been revealed, **ignorance is no longer an excuse.**
26. The 'fish tank' you are in will **determine the maximum size of your ministry.**
27. We should be open to being called to a bigger fish tank – if this is what God has planned for us.
28. This is how we are able to unveil our glory.

### Summary.

- To be able to unveil the glory in us we have to be relevant where we are placed.
- The 'game' is won when they are convinced you are right and want to know more of the Kingdom.
- Success is measured by our ability to give a credible testimony of the Gospel of the Kingdom.
- What people or a nation does when this happens determines how God will judge them.
