

## **The Book of Revelation Course.**

These notes of mine have time code references shown in brackets. They relate to Mike Bickle's MP3 audio files on his Book of Revelation study. You may also refer to his complete pdf session notes on the IHOP website. Mike has also produced an excellent A5 size study guide which can be purchased from IHOP.

The purpose of these notes, is to complement what Mike has already written. Many of the sentences written in my notes, are what Mike has actually said on the audio file.

### **Session 07. Prophetic Ministry in the End Times (Rev. 10-11)**

#### **I. Introduction**

A. 00-02:20 Subject covered is from Rev. 10:1-11:13. This is an angelic explanation, or parenthetical section, that follows immediately after the worldwide crises as described in Rev. 9. A time when 4 demonic strongholds of murder, sorcery, sexual immorality and theft will dominate the earth. One third of the earth will be killed.

B. 02:21-04:00 Many false signs will appear in this time frame.

C. 04:01-08:20 Explanations follow each chronological section as to what will happen to the Saints

D. 08:21-09:00 In Rev. 10 God assures His people that He will raise up prophetic messengers. These are the forerunners who bring understanding prior to this time. Rev. 11, the 2 witnesses preach with great power and release God's judgements against the antichrist systems during the final 3 1/2 years.

E. 09:01-10:05 This describes the church's most glorious hour in history as prophesied in Joel 2:28-32 and other scriptures.

F. 10:06-00:00 Describes how Pentecost was a down payment of Joel's prophecy.

G. 00:00-12:24 The greatest need in these end times will be for prophetic understanding. Many scriptures including Dan. 11:33-35.

- *Summary-A time where a lifestyle of calling on his name; worship which is also prayer; intercession, intimacy, revelation will be essential to exist and operate in power.*

#### **II. The glory of the angel: The forerunner anointing Rev.10:1-3**

A-B. 12:25-17:03 At the epicentre of this is prophetic anointing which comes from the Word of God and via the Holy Spirit. John sees the vision of a mighty angel. This is important as it is describing the connection between the revelatory message and the level of glory to the angel giving it. These 2 verses describe 7 aspects of the glory released on God's messenger forerunners of that time. Important to memorise these 7 aspects described.

#### **III. End Time Forerunner Messengers: seven thunders prophets**

A-F. 17:04-34:42 An open book indicates that the information in it is to be made widely known. However, the prophetic messages that Daniel heard and was told to seal up (as they would not be made known until the end times), may have been the same messages that John now hears. Dan. 12:4-9. When the mighty angel cries out the 7 thunders uttered their voices. It is though there is a personification (personality given) with each thunder. So when the angel speaks it is as though the 7 thunders are stirred up. It is the Holy Spirit giving the messages to them. We now need to cry out for these messages for the time is right. We do this by humility, prayer and abandonment in calling out on the name of the Lord. It is possible that the prophetic book that was sealed by Daniel 10-12 was now being opened to John in Rev. 11-22. Some see the 7 thunders instead of Rev. 11-22 as the contents of what was written in Daniel's book.

#### **IV. The End -Time Release of the seven thunder messengers.**

A-E.34:43-35:20 Rev.10:5-7 The angel swore by God's sovereign power that there would be not more delay. Jesus will now come and rule on the earth. During the 30 days of his second coming, the release and completion of the seven bowl judgements happen. The angel will be about to sound the trumpet at the end of the great tribulation. See scripture verses in MB notes.

#### **V. The mandatory preparation for the end-time Messengers.**

A-E. 35:21-47:05 Rev. 10:8-11. John eating the scroll as Ezekiel did (Ezek. 2:10-3:3) is a prototype for end-time messengers. John's eating was the remainder of Revelation 11-22 and this is what he makes known. Both Daniel and John were prophetically gifted due to their life-long fasted lifestyle. God releases his full purposes as his people prophesy them. The 'sweetness' of the message represents: victory, salvation, justice and deliverance. The 'bitterness' of the message represents: judgement worldwide on those who persecute his messengers.

#### **VI. The Two Witnesses. Rev.11**

A-D. 47:06-50:12 The two witnesses are prophets confronting the anti-Christ. The worldwide prayer movement will support the prophetic intercession of the witnesses. Either Glory or pressure will be proportional to the support and agreement with the 2 witnesses.

The paradox in the Tribulation temple (Rev. 11:1-2). This is surprising yet significant. The Tribulation temple will be built by unbelieving Jews and desecrated by the anti-Christ. It is not the same as the Millennial temple built by Jesus. See vast supporting scripture in MB notes.

D-I.50:12-52:25 The desecration of the temple Mt. 24:15-16 and 2 Thes.2:3-4. We are to measure (evaluate) the temple, altar and worshippers! Mt.7:2. We do the same as Amos did in his day to measure the purity of Israel. Amos 7:8. This will require insight to discern what is going on in the temple, both good and bad. Some of what the unsaved but God fearing Jews temple activities will be of God. There will be a continuum between the temple activities, the salvation of the 144,000 and the later salvation of Israel. God fearing Jews (not yet saved) will in some way parallel the God fearing gentiles in Acts. We are commanded to measure/evaluate. The ones who eat the scroll will be the ones who know and proclaim it with the boldness of 'lions'

#### **VII. Jerusalem will be trampled for 3 ½ years. Rev.11:2b.**

A-H.52:26-53:10 The MB notes from A-H need to be referred to as this simplification does not do it justice. A number of scriptures need to be prayed over for revelation. Many 'spirit filled' believers will be at odds with what is happening.

Jerusalem will be conquered as prophesied by Jesus in Rev. 11:2. Also see Luke 21:21-24. Where it talks about the desolation is near. Zech. 12:3 says though that the lord will make Jerusalem a very heavy stone for all peoples. Zech. 14:1-2 and half the city will go into captivity. There are 8 scriptures that describe the 42 months, (the 3 1/2 years). It is not symbolic.

#### **VIII. The Two witnesses. Rev.11:3-6, 10)**

A-G. 53:11-62:43 The 2 witnesses who are in sackcloth prophesy for 1260 days. as they are mourning for the multitudes who are saying no and the judgements being released against the anti-Christ and the false prophet all over the earth.(bitterness) They also have (sweetness) because they 'see' the King coming to take His throne. The OT prophets believed miracles as seen in Egypt would also occur in the end times. The 2 witnesses will be killed but raised to life again in 3 ½ days. Rev. 11:7-13. When they ascend to heaven in a cloud there is an earthquake like nothing ever seen before by men. Rev. 16:18-19. Then Jesus comes. Zech. 14:4-5. The Lord my God will come and all the saints with you. The praying church will participate in these judgements.

End of teaching.
